RESTORATION  
ACADEMY

RESTORING HOPE

Dear Parents:

As you know, we are making a great uniform change next year by switching our uniform provider to Lands End. They will provide your students with quality uniform shirts, pants, fleeces and PE attire at reasonable cost. **At the start of the 2011-2012 school year, it will be mandatory that students are wearing the Lands End clothing (including pants).** We encourage you to visit their website (instructions located below) and sign up for email updates. Lands End **regularly** provides sale information on a variety of clothing. In many cases, you can get quality (guaranteed) clothing at prices less than local retail stores.

To accommodate our families, we have decided to allow the current navy blue polos to be worn for one more year through the 2011-2012 school year. Also, the hoodie sweatshirt will **not** be allowed in the next school year (beginning in the fall of 2011).

Steps to order the Uniform online:

1. Go online to <http://www.landsend.com/school>
2. Click on "find your school's dress code" located on the left hand side of the website (it is in blue with orange writing)
3. Look up Restoration Academy listed under the City of Fairfield. OR enter our preferred school number: **900141870**
4. Select the items you wish to order for your student. Please note, we will have items in our school office for you to determine the size needed if you are uncertain.
5. Once you've completed your selection, you can check out via their secure checkout process.

**Note**

Please pay special attention to the school uniform provided on the website and in this packet. In many cases the website will offer you other items that are **NOT** included in our dress code. This includes different color choices. For your reference, the color choices for the polo shirts are chambray blue, black and gray heather. The only choice for uniform pants or shorts is kahki. The only choice for PE clothing is black. The only choice for the fleece pullovers and jackets is black.

We understand that many of our families do not have access to the internet. To make this process easier, we have computers at the school which you may use to order your child's uniforms.

We also understand that many of our families do not use credit cards or online electronic checks. If this is the case, we have supplied an order form in this packet. Please note that these prices listed are the **retail price** for each item. We encourage you to attempt, if at all possible, to shop online so that you can save the most money in this process.

If you have questions about how to place your order then please contact Mrs. Steele or Ms. Cookie at the main desks and they will assist you. Thank you for your help in making this transition stress-free. We did not come to this decision lightly.

Thank you,

Molly Stone
